

2015 Build a Better Mousetrap

Day, Date: Wednesday, Sept. 16

Time: 9:00 am – 12:00 pm

Location: Washington County Fairgrounds
Rte. 112, Richmond, RI

The Build a Better Mousetrap competition will be held in conjunction with the 2015 Equipment Show.

The Build a Better Mousetrap competition highlights innovative solutions to everyday problems and issues that local public works departments encounter.

Entries may include tools and equipment developed by your department, equipment modifications, and/or processes that increased safety, reduced cost and improved efficiency for your department.

The contest is open to all municipalities and RIDOT.

To enter, please bring your “Better Mousetrap” to the Information Booth at the Equipment Show.

A panel of judges will review the entries and award a plaque.
